The deduction limit for Section 179 is \$1,000,000.

This means that if you buy (or finance) a piece of equipment, you can deduct the Full Purchase Price (up to \$1,000,000) from your gross income.

The 2018 Section 179 deduction threshold for total amount of equipment that can be purchased is now \$2,500,000. This means that you can purchase more equipment and still have the benefit of the Section 179 deduction.
